Professional Summary

I am a 23-year-old Italian student pursuing a Master's degree in Computer Science and Technology. Passionate about data science, engineering, and machine learning, I aim to apply my skills in sports analytics and performance optimization.

Education

Uninsubria, Italy

MSc in Computer Science and Technology

2023–Present

Specialization: E-Payment Systems and Cybersecurity.

Key Technologies: JavaCard, Apple Pay, SEPA.

ENSI CAEN, France

MSc in Computer Engineering

2024–2025

International experience specializing in Cybersecurity and E-Payment Systems.

Key Technologies: JavaCard, Apple Pay, SEPA.

Universidad de León, Spain

Erasmus Program in Computer Engineering

2021–2022

Studied Project Management, Marketing, Electronics, and Recommendation Systems.

Key Technologies: Neo4j, Pandas, NumPy, Scikit-learn.

Uninsubria, Italy

Bachelor's in Computer Science

2020–2023

Focus on programming, cybersecurity, and big data.

Key Technologies: Python, C, C++, Java, SQL.

Interest-based Projects (more on Github!)

MoneyBall in Football

Technologies: Python, Scikit-Learn, Pandas, BeautifulSoup.

Explored data analysis in soccer to predict match outcomes using web scraping, data cleaning, and machine learning.

WeDoFootball!

Technologies: Python, JavaScript, MongoDB, Node-RED.

Developed a simulation system to track soccer players' movements and health metrics using sensors and a GUI for real-time match info and heat maps.

Skills

Programming Languages

Python, Java, C, C++, JavaScript, SQL.

Data Science & Machine Learning

Pandas, NumPy, Scikit-learn, Neo4j.

Databases

MongoDB, SQL.

Cybersecurity

Cryptographic protocols, tokenization, JavaCard.

Tools

Node-RED, BeautifulSoup, Prolog, NuSMV.

Additional Skills

Languages: Italian, English, Spanish, French

Fluent in Italian, English, and Spanish; conversational in French.

Communication: Waiter at Fattoria Pasquè (2 years)

Developed interpersonal skills.

Adaptability: Continuous learning

Keeping up to date with new technologies and expanding my knowledge.
